

# SPEAKER BIO

Leadership Development Expert and Industrial and Organizational Psychologist, Shaan Rais is a Professional Speaker and Branding Strategist with a Master's Degree in Evidence-Based Coaching and another Master's Degree in Organizational Development and Change.

His passion and purpose are to take the world by storm with his time-tested leadership principles, evidence-based content, and high-voltage presentations. His challenging keynotes continue to motivate leaders to take ownership of their own development and revolutionize their persona in the organization, and outside in their personal lives. Through a significant social media presence, record-breaking online course, and Leadership Leverage Executive Coaching Community of Professional Entrepreneurs Shaan Rais has begun to Change the Face of Leadership and Business!

As CEO of his leadership development consulting firm, OmniSolutions Consultation, LLC, Shaan Rais is positioned to streamline the ascent of the accomplished organizational professional to success, help to strengthen and build teams, and assist in the personal and professional development of leaders, key executives, and strategic partnerships.
